

# Our Solution

Today's workforce is dynamic, and business is constantly changing. For most companies, your largest asset is your people, yet you don't have the insight to adapt your workforce to the changes around you. Our approach to find insight is to listen and respond to customers and by ultimately partnering with those clients to create great success.

## Our Solution Will Allow Your Organization To:

- Integrate your enterprise data
- Leverage external data
- Build virtual resource pools combining enterprise and external data
- Search resource pools to match people and tasks based on availability, rates and skills
- Analyze staffing scenarios
- Plan based on optimal scenarios
- Monitor workforce performance against plan using integrated KPIs
- Optimize resources for increased efficiency and cost savings

- Planning
- Analytics

- Collaboration
- Portal

- Consumers
- Partners

- Recruiting CRM
- Social Networks

## Enabling the Connected Workforce – with e workforce!

- ✓ Actionable Decision Making
- ✓ Realized Cost Savings
- ✓ Integrated Controls
- ✓ Modified Behaviors

## Who Uses the e workforce Solution?

Our solution is critical for any large organization that wants to manage its workforce more effectively. Currently, CIOs, CFOs, heads of PMOs, and strategic HR leaders are all talking about the business value the suite of e workforce solutions brings to their organizations.
